Development Newsletter

Pottsville, PA

2010

Dear Nativity Alumni,

It is with extreme joy that I write this letter. Nativity BVM High School has been a part of my life since 1972 when I entered as a freshman. My teaching career started in the Diocese in 1980 and here at Nativity in 1982. After a 6 month hiatus, God has blessed me and I have returned to Nativity. Teaching at Nativity has always been a vocation, a life choice for me. In making a decision to return, I was told to follow my heart. Well, my heart never left Lawton's Hill and I begin a new adventure in a new position. I am teaching as well as performing administrative duties as principal. We are looking forward to next school year and had a good registration for incoming freshmen. As in any school, there are challenges. We will meet them head on and move Nativity forward stressing the Catholic faith and academics. I ask you to be as generous to your Alma Mater as possible. In these economic times, it is difficult for families to send a child to Catholic school. We are always looking for scholarship money to help the students. We have several projects that we are working on, such as stairwell repair, wireless internet and a few other possibilities. I will do everything in my power to promote Nativity High School. Please let me know if there are reunion meetings to attend or anything else that I can do. Let's work together to make Nativity the choice for education in Schuylkill County.

Sincerely,

*Mrs Lynn A Sabol*
