January 2012

Dear Parents/Guardians:

Did you know Nativity BVM High School graduates are more likely to attend a two or four year college? An astounding 93% of the Class of 2011 is attending a two or four year college or university. In addition, these graduates were offered a total of \$1.5 million in scholarships, grants and awards to attend these institutions of higher learning which include Villanova, George Washington University, the University of Pittsburgh, Seton Hall, Coastal Carolina and LaSalle. According to statistics provided by the Pennsylvania Department of Education, Nativity BVM had 25% more graduates attend a two or four year college following the 2009-2010 school year than the statewide public school average.

Nativity BVM High School is doing great things for the youth of Schuylkill County. Our academic, spiritual, athletic, band and other programs reflect the excellence that has been a tradition since its founding in 1955. Nativity has many advantages for all students. Our student-teacher ratio is 11 to 1 and the average class size is small enough for each student to receive individual attention. We would be proud and happy to have your son or daughter as a student here at Nativity.

I look forward to meeting you in the near future. If you have any questions concerning Nativity, please call the Nativity Development Office at 622-8110. May God continue to bless you and your family with His Peace.

Sincerely,

Mrs Lynn A Sabol

Lynn Sabol
