

THIRD PHASE OF NATIVITY COMMENORATIVE BRICKS

We are happy to report that our bricks are being inscribed and the third phase will soon be completed. Bricks for this third project are still available. The brick garden is located in the front of the school building.

Don't miss your opportunity to purchase an 8 x 8 commemorative brick. Your choice of inscription will grace the entrance of the school for generations of Nativity Alumni.

Bricks cost \$125.00 each.

What a great gift idea for all occasions!
