

NATIVITY WINTER, SPRING and FALL ATHLETES AND FAMILIES

Register your student athlete now using **BIG TEAMS Student Central**. We are asking all families and students that participated in the fall season along with anyone that will be joining a winter or spring sport to sign in and complete all forms. Fall athletes need to sign and submit the recertification form to register for a winter or spring sport.

Steps to register:

- Create your parent and student account.
 - If already created, be sure to link parent and student accounts.
- Input Emergency Contact and complete all forms and athletic forms.
 - This includes Code of Conduct and St. Luke forms.
- Second sport athletes complete PIAA Section 7: Recertification to be eligible for the winter season. You do not need to receive another physical.
- First sport athletes download PIAA Physical Form Section 6
 - You will then upload after you have received your physical.
- First sport athletes sign up for St. Luke's free physical
 - October 22, 2024 @ Blue Mountain High School
 - November 2, 2024 @ Geisinger St. Luke's
